I'm a seeker. I've given myself 1,001 days to practice turning inner excellence into righteous deeds.

Firewall seems a good place to study.

Your family took work as indentured labor in space before the Fall to escape poverty on Earth. When one of the asteroids they'd mined was exhausted, the company, trying to cut costs, offered to let indentures remain on the dug-out rock. Many chose freedom with an uncertain future over indenture. Survival was difficult, and young people like you were sent out to freelance. You've specialized in security work. You were recruited by Firewall as an extra gun for an assault on an exhuman Kuiper Belt outpost. You're asexual and a bit of an ascetic.
